LinkedIn
Build your professional network and showcase your skills.

Google Drive
Store, share, and access your files securely from anywhere.

SAFE INTERNET PRACTICES

- Use strong, unique passwords for all accounts.
- Enable 2-factor authentication (2FA) for extra security.
- Be wary of phishing links and suspicious emails.
- Keep your software and operating system updated.
- Adjust privacy settings on social media platforms regularly.

PROFESSIONAL ONLINE PRESENCE

- Maintain a clean and updated profile on professional networks.
- Share content that reflects your personal brand and values authentically.
- Avoid posting inappropriate or controversial content.
- Engage respectfully in online discussions and communities.
- Curate your digital footprint to project a positive image.

EMAIL ETIQUETTE

- Use a clear and professional subject line.
- Begin with a formal salutation and end with a polite closing.
- Be concise and to the point, avoiding unnecessary jargon.
- Proofread for grammar and spelling errors before sending.
- Respond promptly and appropriately to all messages.
